## **Introduction to the State School Consent Form for Moreton Downs State School**

This letter is to inform you about how we will use your child's personal information and student materials. It outlines:

- what information we record
- how we will use student materials created during your child's enrolment.

Examples of personal information which may be used and disclosed (subject to consent) include part of a person's name, image/photograph, voice/video recording or year level.

Your child's student materials:

- are created by your child whether as an individual or part of a team
- may identify each person who contributed to the creation
- may represent Indigenous knowledge or culture.

### **Purpose of the consent**

It is the school's usual practice to take photographs or record images of students and occasionally to publish limited personal information and student materials for the purpose of celebrating student achievement and promoting the school and more broadly celebrating Queensland education.

To achieve this, the school may use newsletters, its website, traditional media, social media or other new media as listed in the 'Media Sources' section below.

The State School Consent Form may, at your discretion, provide consent for personal information and a licence for the student materials to be published online or in other public forums. It also allows your child's personal information and student materials to be presented in part or alongside other students' achievements.

The school needs to receive consent in writing before it uses or discloses your child's personal information or student materials in a public forum. The attached form is a record of the consent provided.

It should be noted that in some instances the school may be required by the *Education (General Provisions) Act 2006* (Qld) or by law to record, use or disclose the student's personal information or materials without consent (e.g. assessment of student materials does not require further consent).

## **Voluntary**

There will not be any negative repercussions for not completing the State School Consent Form or for giving limited consent. All students will continue to receive their education regardless of whether consent is given or not.

## **Consent may be limited or withdrawn**

Consent may be limited or withdrawn at any time by you.

If you wish to limit or withdraw consent please notify the school in writing (by email or letter). The school will confirm the receipt of your request via email if you provide an email address.

If in doubt, the school may treat a notice to limit consent as a comprehensive withdrawal of consent until the limit is clarified to the school's satisfaction.

Due to the nature of the internet and social media (which distributes and copies information), it may not be possible for all copies of information (including images of student materials) once published by consent, to be deleted or restricted from use.

The school may take down content that is under its direct control, however, published information and materials cannot be deleted and the school is under no obligation to communicate changes to consent with other entities/ third parties.

## **Media sources used**

Following is a list of online and social media websites and traditional media sources where the school may publish your child's personal information or student materials subject to your consent.

- School website: <http://moretondownssss.eq.edu.au>
- Facebook: <http://www.facebook.com/MoretonDownsSS>
- YouTube: Not Applicable
- Other: Not Applicable
- Local newspaper
- School newsletter
- Traditional and online media, printed materials, digital platforms' promotional materials, presentations and displays.

The State School Consent Form does not extend to P&C run social media accounts or activities, or external organisations.

## **Duration**

The consent applies for the period of enrolment or another period as stated in the State School Consent Form, or until you decide to limit or withdraw your consent.

During the school year there may be circumstances where the school or Department of Education may seek additional consent.

## **Who to contact**

To return a consent, express a limited consent or withdraw consent please contact Frances Roberts, Principal MDSS, 3897 2666, [principal@moretondownssss.eq.edu.au](mailto:principal@moretondownssss.eq.edu.au).

Frances Roberts should be contacted if you have any questions regarding consent.

## Introduction to the Online Services Consent Form for Moreton Downs State School. Years Prep-6

Our school uses tools and resources to support student learning, including third party (non-departmental) online services hosted and managed outside of the Department of Education (the department) network.

Online services, including websites, web applications, and mobile applications, are delivered over the internet or require internet connectivity. Examples may include interactive learning sites and games, online collaboration and communication tools, web-based publishing and design tools, learning management systems, and file storage and collaboration services.

This letter is to inform you about the third-party online services used in our school and how your child's information, including their personal information and work they create (student works), may be collected, used, disclosed, and published to the services (if you provide your consent for this to occur).

The Online Services Consent Form is a record of the consent provided.

### About the online services

After evaluation, the principal has deemed specific third-party online services appropriate for school use. These online services are listed on the consent form.

Third party online service providers are external to the school, and the services may be hosted onshore in Australia or offshore outside of Australia. Data (including personal information) that is entered into offshore services may not be subject to Australian privacy laws. When considering whether to provide your consent, we encourage you to read the information provided about each online service, including the *terms of use* and *privacy policy*, which outline how information and student works will be used and under what circumstances they may be shared.

### Student information

The consent obtained by the department as collected through the form covers both student personal information (e.g. name, date of birth) and school-based information (e.g., student username, email, year level) as outlined on the form.

Where permitted by the service provider, de-identified information will be used and/or efforts will be made to limit the amount of personal information disclosed to, and stored within online services (e.g., when registering accounts only mandatory information such as student username and student email address will be disclosed).

## Student works

Student works might include materials such as student projects, assignments, portfolios, images, video or audio. Where student works will be created within, stored or published to the online service (in some cases, published information or student works will be viewable by the public), this will be indicated in 'additional consent requirements' in Section 5 of the Online Services Consent Form.

## Parent information

Where your personal information (e.g. parent email, name, contact details) will be disclosed to the online service, this will be indicated in the 'additional consent requirements' in Section 5 of the Online Services Consent Form.

## Purpose of the consent

Third party online services are used for various purposes. The purpose of use for each service is outlined in Section 5 of the Online Services Consent Form. For example, teachers may use online services with students to support curriculum delivery, complete learning activities and assessment, facilitate class collaboration, and create and publish class work (e.g. projects, assignments, portfolios).

The Online Services Consent Form records your consent for your child to register for an account, use, and, where specified, publish their work to these services. The form also collects your consent for school staff to collect, store, and transfer personal information to online services in order to manage school operations and communicate with parents and students.

## Voluntary consent provision

It is not compulsory to provide consent. If your consent is not given, this will not adversely affect any learning opportunities provided by the school to your child.

## Consent may be limited or withdrawn

You may limit your consent by providing consent for some, but not all, online services listed on the form.

Requests to limit consent in relation to how the 'Information covered by this consent form' and the 'Approved purpose' (Section 2 and 3 of the form) are applied to a specific service, will be treated as "do not consent", as the school cannot guarantee correct implementation of individual requests.

You can withdraw your consent at any time by notifying the school in writing (by email or letter). The school will confirm the receipt of your request via email if you provide an email address. After a notice to withdraw consent is received, the school will not be able to make any 'new' collection, use, disclosure and publication of the information or student work.

Due to the nature of the internet, it may not be possible for all copies of information (including images and student works that have already been disclosed or published) to be deleted or restricted from use if you request it. The school may remove content that is under its direct control, however, information and student works that have already been disclosed and published cannot be deleted, and the school is under no obligation to communicate changes to your child's consent circumstances to online service providers.

## Duration of consent

The consent applies for the period of time specified on the form. You may review and update your consent at any time by notifying the school in writing (by email or letter).

There may be circumstances where the school issues a new consent form to seek additional consent e.g. in the event that new online services are identified for use.

## Who to contact

To return the form, express a limited consent, withdraw consent or ask questions regarding consent, please contact:

# 5/6 Laptop Program 2026

## Student Resource Scheme

Dear Parents/Guardians,

In 2026, teachers and students in Years 5 & 6 will have the opportunity to engage in a 1:1 laptop program. The use of laptops enriches and enhances learning opportunities which contribute to increased student engagement and improved academic results. Laptops allow teachers to better monitor progress and provide effective individualised feedback, create multimodal presentations and differentiate learning to suit the needs of each student.

The Student Resource Scheme will assist in covering the purchase and maintenance of the laptops. Students will not be permitted to take the laptops home.

This letter contains important information about the **2026 5/6 Laptop Student Resource Scheme (SRS)** including how the scheme operates and the annual participation fee.

The Queensland Government supports students' education by providing funding for:

- Instruction, e.g. teachers
- Facilities, e.g. buildings, amenities, furniture
- Administration, e.g. staffing and resources to administer the operations of the school.

Funding does not extend to individual student resources such as textbooks, equipment for personal use, and items used/consumed by the student in the classroom. Supply of these items is the responsibility of parents.

### **SRS Participation**

The objective of the scheme is to provide a convenient and cost-effective way for students to access the educational resources necessary to enhance their learning experience at school. The Department encourages parents to participate in the scheme. Participation in the SRS is optional, however, and no obligation is placed on a parent to participate. The student resource scheme will continue at Moreton Downs State School in 2026 to help cover the purchase and maintenance of the laptops.

The scheme's operation, resource inclusions and participation fees were approved by the school's P&C Association at the meeting held on 3/12/2025.

*Student is new to the school.....*

Parents are required to complete and return the SRS Participation Agreement Form when joining the scheme for the first time. If no participation form is received by **31/01/2026**, the school will take the view that the parent has chosen to opt out of the SRS. The parent is then required to provide the educational resources listed in the SRS for their child by the start of the school year. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

*Continuing student of the school....*

A parent's participation or non-participation in the scheme will continue as per their previously completed Participation Agreement Form. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

If a parent has opted out of the scheme the parent is required to provide the educational resources listed in the SRS for their child by the start of the school year.

For more detailed information about the SRS can be found on the Department's website:

(<https://ppr.qed.qld.gov.au/pp/student-resource-scheme-srs-procedure>).

For general information on school fees and charges please see the 'parents and carers' site on [School fees and charges](#).

### **Resource Inclusions**

All resources included in the SRS are detailed in the attached **SRS Resource list**. This list is also available on the school's website. This is a comprehensive list of all resources included in the scheme and their associated costs.

Parents must inform the school if items on the list of resources are not received by their child when resources are distributed.

### **Type of Resources provided**

Generally, the three types of resources that could be included are:

- **Owned** – these items are retained by the student and used as required (e.g. stationery, exercise books, student diary).
- **Used** – these items are used/consumed in class by the student (e.g. industry technology/cooking/art supplies).
  - work/items produced from these resources will remain the property of the student.

- **Hired** – these items are hired to the student for their personal use for a specific period (e.g. textbooks, musical instruments, laptops).
  - Hired items must be returned to the school in good condition at the end of the hire period or if the student leaves the school.
  - A repair or replacement cost may be charged to the parent for any hired items that are damaged or not returned.

### **Costing Methodology**

The schools SRS fee is calculated based on:

1. A flat fee for all students in the school, OR
2. A flat fee for a cohort group of students (e.g. a year level), OR
3. A general fee for all students or a cohort group plus additional fees for individual subject inclusions.

Please refer to the **SRS Resource list** for the associated costings.

### **The SRS Participation Fee**

The SRS fee payable for the year is available in the attached information and published on the school's website.

### **Financial Hardship**

Parents experiencing financial hardship who are currently participating or wish to participate in the SRS should contact the school to discuss available options in confidence.

### **Payment Arrangement**

Several payment options including a single payment for the full year's fee or term instalments are available. An instalment plan can also be negotiated with the school.

Any unpaid invoices will be managed according to the department's Debt Management Procedure. Only as a last resort, a Principal may use discretion to exclude a student from optional, non-curricular activities where a parent has an outstanding debt with the school. (<https://ppr.qed.qld.gov.au/pp/debt-management-procedure>).

### **Payment Method**

SRS payments can be made by QParent/BPOINT, BPAY, EFTPOS (Credit/Debit Card), Cheque, Cash, Centrepay.

- Payment may be made through the QParents portal using a credit card. Payment will be directed from the QParents portal to BPOINT where relevant outstanding invoice information may be selected.
- When paying by BPOINT, please use the Customer Reference Number (CRN) and invoice number printed on the invoice received from the school. If unsure of the CRN, please contact the school.

Centrepay Deductions are available to pay the SRS fees. Use Centrepay to make regular deductions from your Centrelink payment. Centrepay is a voluntary and easy payment option available to Centrelink customers. Go to [humanservices.gov.au/centrepay](https://humanservices.gov.au/centrepay) for more information on how to set up your Centrepay deductions.

### **Contact Us**

For all queries regarding the SRS and its inclusions, please contact and arrange an appointment with **Melissa Parkinson**

***Please complete the SRS Fee Payment Arrangement Form and return to the school administration office by 31/01/2026.***

# Health Practitioners in Primary Schools Program

## [Health Clinic NOW OPEN at Moreton Downs State School](#)

### [Exciting news!](#)

Moreton Downs State School now has a Health Clinic with **General Practitioner, Dr Melissa Farrant**, operating **every Tuesday** at our school.

All students will be able to go to the Health Practitioner clinic accompanied by their parent or carer. Our Health Practitioner will help you with health information, advice and referrals.

### [How can I make a time with the Health Practitioner?](#)

Our school's clinic will be open every **Tuesday** during school terms between **9am – 3pm**.

To book an appointment time, please speak with administration staff. You can call the school on 3897 2666 or send an email to [GP@moretondownssss.eq.edu.au](mailto:GP@moretondownssss.eq.edu.au)

### [Can a student see the Health Practitioner by themselves?](#)

No, parents or carers must accompany their child to see the Doctor.

### [How much does it cost?](#)

Seeing the Health Practitioner at school is free. Please bring the student's Medicare card (or their Medicare number including their IRN – Individual Reference Number) to your appointment.

### [What if we don't have a Medicare card \(or number\)?](#)

We can still help you. Let administration know when you make your appointment, or let Dr Melissa Farrant know when you go to your appointment.

### [Will the Health Practitioner tell anyone at school about my appointment?](#)

Your time with the Health Practitioner will be private and not shared with anyone else, unless you and your parent agree.

If Dr Melissa Farrant thinks that you or another person may be unsafe, they must let someone know, like the Principal, to make sure you are safe.

For more information about the Health Practitioner, please contact administration on 3897 2666 or email at [GP@moretondownssss.eq.edu.au](mailto:GP@moretondownssss.eq.edu.au)
